

dimensions and installation guide

electrolux large side by side refrigeration

models ESE6977SC, ESE7007SC, ESE7007BA

Recommended Airspaces

Please note:
Doors are designed to sit proud of cabinetry (not flush).

Front face of bench aligned to front corner edge of cabinet.

When positioned in a corner area, spacing of at least 300mm on the fridge side and 250mm on the freezer side will allow the doors to open enough to enable the removal of the crisper bins and shelves.

IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.
